F.Y. B.Ed. (2023-2024)

Report on Course 101: Childhood and Growing Up

**Practical Orientation:** A comprehensive practical orientation was conducted by Dr. Trupti Bhalerao on 27/11/2023. **Objectives of the Practical Component:** To enhance understanding of child development through hands-on experiences. **Practical Activities:** Observation of children in various settings (school, playground, home, etc.) Conducting simple experiments and tests to assess child development. Developing teaching aids and materials. Designing and implementing child-centered learning activities

**Evaluation Criteria:** The practical component will be evaluated based on: Observation skills Record-keeping Analysis and interpretation of data Presentation skills Creativity and innovation

**Seminar Orientation:** A detailed seminar orientation was conducted on 29/11/2023 by Dr. Trupti Bhalerao and Prof. Shailesh Bhalerao. **Seminar Topic Allocation:** Each student was individually assigned a seminar topic related to child development. **Seminar Preparation:** Students were instructed to: Conduct thorough research on the assigned topic. Develop a well-structured presentation (PPT) to explain the key concepts. Write a detailed seminar report. **Presentation Guidelines:** Time limit for the presentation Use of visual aids Effective communication skills Handling questions and discussions

**Evaluation Criteria:** The seminar will be evaluated based on: Content knowledge Organization and structure Presentation skills Research and analysis Report writing The practical and seminar orientations provided valuable insights and guidance for the successful completion of Course 101: Childhood and Growing Up. The practical component will allow for hands-on experience in understanding child development, while the seminar will enhance research, presentation, and writing skills.

**106: Maths Method**

**Orientation Report**

Course 106-09 Mathematics subject is optional subject for selecting as a first or second method for F.Y. B.Ed. Orientation session took on 06 December 2023.

In orientation session, syllabus discussed with all four units and objectives of subject in detail. Ms. Sonali took syllabus orientation and Practical orientation on 28/11/2023. Ms. Sonali Pujari discussed all units in detail. This Course code 106-09 - understanding disciplines and school subjects - Maths is for 2 credits. There are two units, each unit carries 1 credit. In 1st unit A. Arithmetic, B. Algebra and in 2nd unit A. Geometry and B. Applied Mathematics related topics are included in syllabus. All content fulfill all the objectives which are given in syllabus.

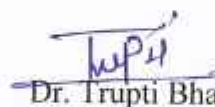

In orientation programme she discussed objectives, all unit and their weightages details in brief. Ms. Sonali Pujari discussed practical details. There are 3 practical are given under this course. So selected two of them for all students

- 1) Investigatory Project / Model
- 2) Visiting a Mathematics Institute
- 3) Contribution of Indian Mathematician

Method teacher and with the consent of all students we selected practical i.e. Contribution of Indian Mathematician presentation and write up of any Indian Mathematician and Investigatory Project / Model. In these practical students has freedom for topic selection and students need to write descriptively and present in innovative way on poster/ Flex/Model in given format. Total 50 marks are allotted for it and it convert into 05 for final assessment. As per mentioned above, we had done orientation of syllabus and practical.

**Report on Introduction to Internship**

**Duration: 4 Weeks (2 Credits) – 50 Marks**

For the academic year 2023-2024, our college has organized a 4-week internship program from January 22, 2024, to February 22, 2024. This initiative aims to provide practical experience and exposure to real-world scenarios related to our field of study.

**Aim of the Internship:**

The primary goal of the internship is to broaden students' perspectives on education and enhance their professional capacities. It aims to develop crucial teacher sensibilities and skills, preparing future educators to address and meet the diverse needs of learners. By engaging in various activities and real-world teaching environments, students will gain a deeper understanding of the complexities of teaching and the importance of adapting to the varied requirements of students.

To facilitate the internship, we divided students into six groups. Each group was guided through the internship process by various professors, who introduced and explained the activities and expectations involved. Prior to the commencement of the internship, we obtained the necessary permissions from different schools to ensure a smooth and well-coordinated experience for all participants. The program was designed to enrich students' learning experiences, allowing them to apply theoretical knowledge in practical settings and develop valuable skills relevant to their future careers.

In the introduction to the Internship the student teacher will complete the following 5 activities:

1. Observation of 4 lessons of experienced school teachers
2. Develop 4 lesson plans to cater to the diverse needs of the students
3. Writing a report of the observed co curricular and extracurricular activities organized in the school.
4. Writing an essay reflecting on the different activities.
5. Conduct of 2 lessons in the school classroom.

**Report on Social Activity (2023-2024)**

Social activities are defined as recreational program for the human resource. It is an essential component of society.

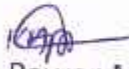

The societal development is based on the culture learned by the society. Therefore educating an individual and the society social education in recent times have emerged as an important segment of education.

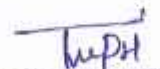

The role played by teacher becomes very important, it can be said that they are our national builders. So that in B.Ed. curriculum social service activity is included in 1<sup>st</sup> year. Through these activities student teacher get an actual experience in working with the community.

As a part of social activity in 2023-2024 college conducted following activities:

*Rally on Aids Awareness and Donation to an NGO on 02/12/2023, Gender sensitivity and National water mission activities in school during internship period from 22/01/2024 to 22/02/2024 and Workshop on Cardio Pulmonary Resuscitation (CPR) on 09/03/2024.*

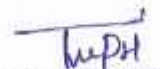

Thus Social development attempts to explain qualitative changes in the structure & the frame works of society. Social activities help in sensitivity towards the society, training and inculcation of habits, organization and planning.

**Report on Orientation for Course 112: Health and Yoga (2023-24)**

**Report on Course 112: Health and Yoga (2023-24)**

**Date of Orientation : 25th November 2023**

**In-charge: Prof. Shailesh Bhalerao**

**Introduction**

An orientation session was conducted on November 25, 2023, for Course 112: Health and Yoga (2023-24). The primary objective of this session was to introduce the course curriculum, practical components, and evaluation criteria to the students.

**Practical Component and Evaluation**

The course is divided into two components:

**1. Practical Component (50 Marks):**

- o Regular participation in yoga and sports activities.
- o Performance in practical exam

**2. Theory Component (50 Marks):**

Written examination.

**The course curriculum primarily focuses on:**

**• Yoga Practices:**

- o Suryanamaskar
- o Asanas
- o Mudras
- o Pranayama

**• Sports Activities:**

**o Outdoor Sports:**

- Kho-Kho
- Shot Put
- Running

**o Indoor Sports:**

- Rope Jumping
- Chess
- Carrom Board

o **Orientation Session Highlights**

• **Course Introduction:**

- o A detailed overview of the course curriculum was provided.
- o The importance of regular practice and participation was emphasized.

• **Practical Demonstration:**

- o Yoga asanas, pranayama techniques, and sports activities were demonstrated by the instructor.
- o Students were encouraged to ask questions and seek clarifications.

• **Group Activities:**

- o Students were divided into groups to practice yoga asanas and play indoor games.
- o This fostered teamwork, coordination, and a sense of camaraderie.

• **Photo Evidence:**

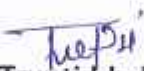

- [Insert photos of students participating in yoga, sports activities, and group discussions.]

**Conclusion**

The orientation session provided a solid foundation for the course. Students were enthusiastic about the practical components and eager to learn new skills. By actively participating in yoga and sports activities, students are expected to improve their physical and mental health.

Note: For a more comprehensive report, consider adding specific details such as the number of students who attended, feedback from students, and any challenges encountered during the orientation. Additionally, you may want to include any future plans or recommendations for the course.

**Course: 201 Orientation Report on "Quality and Management of School Education"**

**Orientation Date: 15th September 2023**

**Course Coordinators: Dr.Seema Damle , Prof. Sailesh Bhalerao**

The Course 201, titled "Quality and Management of School Education", is a compulsory subject for S.Y.B.Ed. students under the perspective of education. The orientation session for this course was held on 17th October 2021, and the course details were presented by Dr.Seema Damle and Prof. Shailesh Bhalerao.

The orientation began with a detailed discussion on the syllabus and course structure. Dr.Seema Damle and Prof. Shailesh Bhalerao provided an overview of the course's content and objectives. They explained that the course is designed to help students understand the essential aspects of quality and management in school education, which are critical in ensuring effective teaching and learning environments.

**Unit Details:**

Dr. Seema Damle presented an overview of the course units. The course is divided into multiple units, each focusing on different areas of quality and management in schools. The objectives and weight age of each unit were discussed to ensure that students understood the importance of each topic.

**Practical Details:**

Dr.Seema Damle and Prof. Shailesh Bhalerao discussed the practical's associated with the course. There are three practical assignments in this course, and one of them was selected for all students:

**Practical: Study of School Management of Infrastructural Resources in School**

This practical involves examining the management and availability of infrastructural resources in schools and understanding how these resources impact school quality. Dr.Seema Damle explained the theory behind this practical, guiding students on how to approach the study. Second Practical Organization of any one Co-curricular activity in school and prepare a report on its

management and problems faced Prof. Shailesh Bhalerao explained the theory behind this practical, guiding students on how to approach the

### Practical Submission:

The final submission date for the practical was announced. Students were informed about the expectations for completing and submitting the practical assignment by this deadline.

### Course Objectives:

The course aims to enhance students' understanding of the role of effective management in schools, covering areas like leadership, resource allocation, school policies, and quality assurance. This knowledge will help students play a key role in improving the educational environment in schools once they become teachers.

### Conclusion:

The orientation session for Course 201: Quality and Management of School Education was a highly informative and engaging session. The students gained a clear understanding of the course structure, the importance of each unit, and the practical tasks required for successful completion. The session effectively set the stage for students to engage with the subject material and start working on their practical assignments.

**Orientation Report: Course 204 - Education for Human Rights and Peace Education**

**Practical Orientation**

- Date: 14/09/2023
- Nature: Common for all students

**Seminar Orientation**

- Date: 04/10/2023
- Nature: Individual, related to syllabus topics

Evaluation:

The course evaluation will be based on two components:

1. **Practical Component:** This component will assess the students' practical skills and knowledge related to human rights and peace education. The evaluation criteria will be communicated to the students prior to the practical session.
2. **Seminar Component:** This component will evaluate the students' ability to research, analyze, and present information on a specific topic related to the course syllabus. The seminar presentation will be followed by a Q&A session.

**Course Objectives:** The course aims to equip students with a comprehensive understanding of human rights and peace education principles, concepts, and practices. **Syllabus Coverage:** A detailed overview of the course syllabus was provided, highlighting the key topics to be covered. **Practical Session:** The practical session will involve [specific activities, e.g., role-playing, simulations, group discussions] to enhance students' understanding and application of human rights and peace education concepts. **Seminar Preparation:** Guidelines were provided for selecting a suitable topic, conducting research, developing a presentation, and preparing for the Q&A session. **Evaluation Criteria:** Clear expectations were set for both the practical and seminar components, including specific criteria for assessment. **Academic Integrity:** Students were reminded of the importance of academic honesty and the consequences of plagiarism. **Time Management:** Effective time management strategies were discussed to balance coursework, research, and presentation preparation. Overall, the orientation session provided valuable insights into the course structure, expectations, and evaluation process. Students are encouraged to actively participate in both the practical and seminar components to maximize their learning experience.

### Course No. 209: Report on Understanding of self

The main objectives of the course are to enable the student teacher to develop an understanding of self as a person, as a teacher. It also helps in holistic understanding about her. It also helps the student teacher to become an integrated personality.

This practical include two parts. One is Orientation session & another is Activities Sessions. In our college under understanding of self we decided 4 activities.

- i) SWOT Analysis
- ii) Songs & speeches
- iii) Facing an Interview
- iv) Life stories

In our college the Understanding of self program was held from 12/09/2023, 16/09/2023 & 23/09/2023

In first part we gave the detailed orientation on each activity. After orientation on each activity students work in groups of about 5-10 min. during the activity sessions.

They have presented these activities from 11/03/2024 to 16/03/2024 in their groups.

Group in charge Professor encourage students to discuss among themselves and share their personal experiences. The main purpose of the course is to make them realize themselves.

Understanding of self course is very useful for student teacher to know their strength, weakness, opportunities as well as threats. It also helps to develop the personality of student teacher.

### S.Y.B.Ed. (2023-24) Orientation Report of 211 Art & Drama in Education

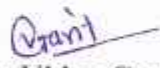

- Dr. Trupti Bhalerao  
- Ms. Vidya Gavit

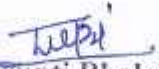

This 211 course, Art & Drama in Education, is a compulsory subject, ENHANCING PROFESSIONAL CAPACITIES, for S.Y.B.Ed. Dr. Trupti Bhalerao & Ms. Vidya Gavit are the guides of this course. This subject orientation was taken on 13/09/2023. In this orientation program; we discussed the objective of Art & Drama in Education and the importance of Art & Drama in Education. Orientation Session Conducted by Dr. Trupti Bhalerao on 25/09/2023. The objective of this activity is to foster cultural awareness, teamwork, and creativity among student teachers. For this activity, students were divided into four groups, representing different regions of India: North India, South India, East India, and West India. Each group was tasked with organizing a cultural fest showcasing the traditions, art, music, dance, and cuisine of their assigned region. Outcome for this activity: Students developed organizational and collaborative skills. Enhanced their understanding of India's cultural diversity.

Activity 2: Appreciation of a Film. Orientation Session Conducted by Ms. Vidya Gavit on 18/09/2023. The objective of this activity is to encourage critical thinking, reflection, and creative interpretation through film analysis. For this activity, students were divided into **four groups**, and each group was assigned a film for review and analysis.

1. Padman
2. Super 30
3. Sam Bahadur
4. 12th Fail

Each group was asked to watch the film, identify its themes, and present their reflections through discussions and creative outputs. The outcome for this activity is enhanced students' ability to appreciate art forms critically. Provided insights into social issues and inspiring real-life stories depicted in the films.

**S.Y.B. Ed (2023-24)**

### **Orientation Report - Course BED 212:- Open Course/Entrepreneurship Development**

Credits- 2

Marks - 50 marks

Objectives of the course:

- 1) To make education as a tool to empower teacher.
- 2) To build self awareness among the novice teacher about the professional opportunities.
- 3) To provide dynamic platform to the novice teacher to explore the professional strengths in the field of education.
- 4) To promote the professional competencies of the novice teachers.

On 26/09/2023, orientation was held for Course code 212 Entrepreneurship Development. There are two practical's, these are - Essay on Entrepreneurship and Product Development. Thus Ms. Sonali Pujari and Ms. Sonali Jadhav guided on the above subject.

**1) Essay on Entrepreneurship** – Ms. Sonali Pujari discussed about the practical with help of ppt presentation. Gave an Orientation based on evaluation tool points. Instructed the students about how to write report accordingly.

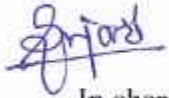

**2) 212 Development of Product** - On 26/09/2023, orientation on Product Development was organized under the subject of Course Code 212 (Open Course). The lecture details are as follows.

No.	Date	Time	Subject	Professors
1.	26/09/2023	2.30 to	Computer based product	Ms. Sonali Pujari
2.	26/09/2023	3.15 &	Multimedia product	Ms. Sonali Jadhav
3.	26/09/2023	3.15	Learning material / resource	Ms. Sonali Pujari
4.	26/09/2023	to 4.00	Educational blog / website	Ms. Sonali Jadhav
			Newspaper / Brochure	Ms. Sonali Pujari
			Pamphlet / Printed material	Ms. Sonali Jadhav

Thus Ms. Sonali Pujari and Ms. Sonali Jadhav guided on the above subject and also instructed the students about how to prepare the product accordingly.

On 01/04/2024 to 06/04/2024, all the students presented their product. The students gave presentation in two groups. Ms. Sonali Pujari and Ms. Sonali Jadhav observed the presentation of students.

**Donation to NGO's (Cloths, food items): 6<sup>th</sup> April 2023**

Progressive Education Society's B.Ed. College organized an activity to donate clothes and necessary materials to NGOs. We collected clothes, food materials and other necessary materials in the college.

Our student teachers and all staff donated clothes, food materials and other necessary materials to the college.

We handed it over to employee of **Goodwill India (More welfare trust), Pune** on **6<sup>th</sup> April 2023**.

In our college we always organized such activities. In our country many poor people and children need clothes and food items. Through such activities we tried to help the needy people of the society
