Research Policy

Preamble :

The purpose of this document is to present a research policy frame work for the design, management, optimizing infrastructure and development at Progressive Education Society's B.Ed. College.

The faculty needs to continuously update themselves for the new knowledge. For this, there is a need to build up research environment and ambience, create adequate facilities for the teachers and researchers. To support it Progressive Education Society's B.Ed. College is taking number of initiative. It has decided to facilitate and encourage faculty members working in its various institutions to go for PhD. /Research Degrees, while in service.

Faculties are required to participate in research, publish their work and participate in national and international conferences to present the research data and generate new concepts in the emerging areas, if required by collaborating with other institutions and universities.

Aims of the Policy:

1. Provide a guideline for the conductance and publication of the research work
2. Granting the study leave for research field work.
3. Granting the Seed money for doctoral studies / research projects
4. Provide essential infrastructure support for the research work
5. Promote the research and motivate the faculty member

Guidelines:

1. Research committee will be responsible for conducting all types of activities related to research
2. Faculty can select any suitable journal for the publication of their work.
3. The Researchers should be encouraged to demand the funds for their projects from external funding agencies
4. Internal funding for the research can be provided and the mechanism for the same needs to be established
5. There should be research and recognition committee for each faculty to guide and monitor the research activities periodically to enhance the quality of research
6. The faculty should be encouraged to attend state, national and international conferences and present their papers.

Policy for the Research Support

Progressive Education Society's. B.Ed. College has designed the proactive policy to promote the research, thus motivating the faculty members and students of the Progressive Education Society's. B.Ed. College to undertake the activities by adopting a policy of integration support by adopting following special norms:

1. Grant to present papers in national and international conferences.
2. Research funding for the projects.
3. Seed money will be provided for doctoral studies/research projects.
4. Provision of leaves for teachers for research field work.
5. Organizational Support for research by institution
